Dear Parent/Carer,

Free taster workshops in your school!

Monday 24th June & Monday 15th July

5.30pm - 7.00pm

Theatre Royal Plymouth would like to invite you to take part in a free taster workshop, where you will get the chance to explore key skills in theatre, performance and storytelling alongside other parents from your school.

Our workshops welcome everyone! They are fun, enjoyable, and there is even time for a cuppa and a chat! ~~No prior experience is needed.~~ This is a really exciting opportunity for you and your child as the Young Company, our youth theatre programme, will also be providing a workshop for young people at the same time.

Please return the slip below to your school if you and your child wish to attend these workshops. Please note you are welcome to attend both workshops if you wish. If you have any questions please do not hesitate to get in touch with me. We hope to see you there!

Many thanks

Alex Ogando

Community Development Producer
