

For SMSC:

- Learning to choose
- Explaining your choices
- Being sensitive to others' choices
- Learning to work together

In English:

- Creating our own traditional tales.
- Retelling fairy tales
- Using different types of sentences.
- Using the correct punctuation.
- Using adjectives and noun phrases to add detail.

Integrated Curriculum:

Decide the best way to plant a magic bean and predict what it needs to grow. Look after our plants so that we can see how their conditions affect them. Using our knowledge of Jack and the Beanstalk for different learning areas.

Art/Music - creating pictures using beans and performing our story.

DT - design and create a meal using beans

Maths - collect data, sort objects, 'Would you rather?'

Science - planting seeds and making predictions.
