

Stuart Road Primary Academy Newsletter

Welcome back to all our children and families at Stuart Road. We have been very impressed with the positive start all the children have made this term; they have been brilliant!

We would like to take this opportunity to say thank you to parents for their patience and continued support this term particularly concerning the school start and finish times and making sure social distancing is maintained.

Welcome Messages From Teachers

Foundation Class.

First of all Miss Kane and I would like to welcome you all to the first newsletter of the school year. Having spoken to many of you on the phone recently, the feedback has been both positive and heart-warming in how the children have settled. We've had an exciting start to the new school year. For many in our class it is the first time they have been in our school and have had a great time making new friends and exploring a variety of activities around the Early Years Unit both indoors and outdoors.

The weather has been kind to us too! For the first time last week we also had lunch in school. School and packed lunches were delicious! Our topic for this term is Autumn and we have a story to accompany this theme. The story this term is Goldilocks and the Three Bears. Many of us have heard this story before, but we have also come to realise that there are different versions of this tale. We will have the chance to retell the story of Goldilocks through our play including in our role play corner and it would be good to share this story with you at home too.

Mr. Chan & Miss Kane.
