

Challenge grid:

Solo: Can you complete a line in a week?

Family: Who will be the first to complete a line that goes through the centre?

Set rewards for excellent progress 😊

Get active for 30 minutes. Did you sweat? Was your heartbeat greater? <i>Why?</i>	Create a piece of art from recycled objects. <i>Do all materials behave the same way?</i>	Design a treasure hunt for someone. <i>Improve your vocabulary and find new ways of describing clues.</i>	Grow food from seed. What does the seed need? <i>Do its needs change as it grows?</i>	Visit a museum or gallery (in person or online) <i>Describe an exhibition to a friend.</i>
Design an outfit for a trip to the moon. <i>What would it be made from? How would it work?</i>	Build a sand/mud sculpture. Is it easy or hard? <i>What happens when you add water?</i>	Create a time capsule (real or imaginary) to be opened in 100 years. <i>Would your country be the same?</i>	Design a new species. <i>Draw it. Name it. Explain it!</i>	Make something that can be worn from items in your house. <i>Are some materials more difficult to work with?</i>
Make a musical instrument from household objects. <i>How does it make sound? Can you make it louder?</i>	Draw/paint/model a famous building. <i>How was it constructed? Which materials are used?</i>	Design a new board game. What is the name? How do you play it? <i>Can you make it?</i>	Research a new country. <i>What is the weather like? What food grows there? Is the culture different?</i>	Draw a map of the local area. <i>Label the living and non-living parts.</i>
Aliens have landed in your home. <i>Create a postcard to send their relatives in space!</i>	Watch the news. Is there anything about science and technology? <i>Explain the news to your friend or family.</i>	The year is 3020. Design a new mode of transport – <i>what is the fuel source?</i>	Grow a seed on a piece of wet tissue in a bag or jar. <i>Draw and describe the changes over 2 weeks.</i>	Nature hunt – go on a walk and <i>find as many different living organisms as possible.</i>
Design a new town. <i>What does it need to house people safely?</i>	Go on a tree hunt – can you find 5 different trees? <i>How do you know they are different?</i>	Fruit and vegetable challenge – which of these are in your house right now? <i>Can you sort them into groups?</i>	Prepare a 3-minute talk about your favourite animal. <i>Can you recall 5 facts?</i>	Technology hunt! Look around you – <i>how many different forms of technology are there?</i>
