

Music is a great stress reliever and really helps to lift the spirits, so one of our focuses this week will be making music together. Below are a variety of ways to make music, have fun and be happy!

The SRPA

The SRPA Lip-Sync Battle

We could all do with a bit of cheering up during lockdown and you could be the family to make us smile!

Our chair of governors, Gary Blake, would like you to create a fun, creative and engaging 'lip-sync' video of your favourite songs. It's all about having fun with music and creating engaging performances. Make costumes, craft a performance, do a family dance - it's entirely up to you.

And yes, there will be prizes for the best entries! Watch the video below for inspiration.

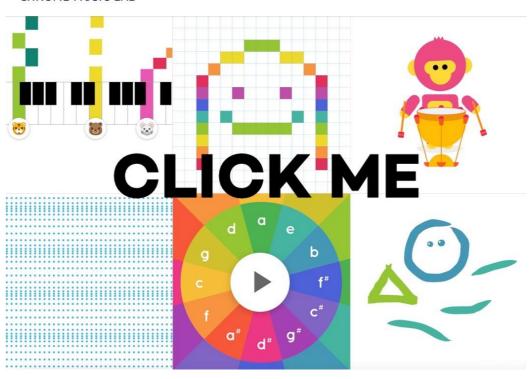

Email your entries to admin@srps.plymouth.sch.uk

Chrome Music Lab

CHROME MUSIC LAB

What is Chrome Music Lab?

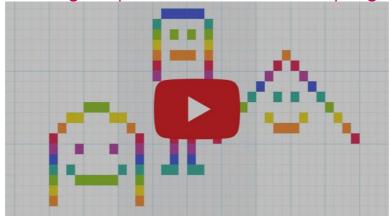

Chrome Music Lab is a website that makes learning music more accessible through fun, hands-on experiments.

Can I use it to make my own songs?

Yes. Check out the <u>song maker</u> experiment, which lets you make and share your own songs.

Do I need to make an account?

Nope. Just open any experiment and start playing.

Kids Karaoke Songs

We all need to escape sometimes. Here's your chance to feel the magic of music first-hand and enjoy learning to sing songs from the comfort of your own home. This an opportunity for the entire family to get involved! So, grab those hairbrushes, dance around the living room and lighten up your day with a song. Here are a collection of the best kids' karaoke songs of all time!

Painting with Music

Let your child learn to paint with melodies! Combine two of the best pastimes, creating music and painting for hours of fun.
