1.11.18 - Halloween disco - further details to follow.

Thanks for your ongoing support.

We hope that you and your children had an enjoyable summer break and would like to welcome parents, old and new, to a new school year.

Can all parents please be reminded that, while on school grounds, a code of conduct should be adhered to. We ask that parents refrain from any behaviours that may concern or worry the children in our care. Parents who are unable to follow this code of conduct will be asked to leave the school site and may be prohibited from entering the grounds in the future. Thank you for your support in this and for continuing to be positive role models for the children of Stuart Road Primary Academy."

William Humphries, in Year 1, is planning to scale one of Britain's tallest peaks in memory of his stillborn baby sister.

William was only three years old when his little sister Lily Joan was born sleeping at Derriford Hospital in 2016 at 34 weeks. Now he is aiming to raise money for Aching Arms, a charity which supported his family through the loss, by walking up Mount Snowdon in October.

If you would like to help William achieve his target goal by donating, please follow the link below.
