Dear Friends,

Thank you for your kind donation of 38.96kgs

Your support is vital in allowing us to continue with the work we do.

We are seeing an increase in the number of people accessing the service particularly as so much employment on offer is short-term, limited and varied hours.

Your donation will help us to reach more people in crisis in the community. We are finding that people are returning to the centre for courses and one-to-one help after they have received food from the foodbank so we are able to support them in a variety of ways.

With kind regards,

Katy Bartlett
