24th January 2018

Dear Parents/Carers

The Year 6 children have been invited to Plymouth University where they will be working on activities relating to the history of Slapton Village and World War Two. There will be a carousel of different activities over the day. There is also the potential for a University tour and talk about life as a student. This visit will take place on Thursday 1st February. The children will need to bring a packed lunch and are required to wear school uniform.

This will be followed by a visit to Slapton Village on Thursday 22nd February. Plymouth University are subsidising the visit but there will still be a need for a voluntary contribution of £2 per child, which should be paid through ParentPay.

At Slapton, our pupils will work closely with the university students and will be involved in fieldwork activities. The students will be conducting observations and evaluation questionnaires with the children to use in their assignments. These activities will take place outside, weather permitting, and the children are allowed to wear mufti for the day. Please ensure that your child has appropriate clothing (waterproof coat/jacket). In addition, the children will need to bring a packed lunch.

The University will be taking photographs of the day to use on their website. If you do not wish your child's image to be used in this way, please indicate on the return slip below. Thank you for your continued support.

Mrs Ioja
