Barn deposit
Monday 11th June

Dr Bike Workshop

Warmer weather is finally here and cycling to school and at the weekends is the perfect way for your children (and you!) to make the most of it - dust those bikes down and make sure they are in good working order, especially the brakes! To help with this we will be having a Dr Bike day on **Monday 18th June** to make sure that your children's bikes are in a safe and roadworthy condition. I will be at school all day to do safety checks, servicing and minor repairs on children's bikes. If there are any major repairs that need doing, I will attach a note to your child's bike so you can take it to a bike shop for repair and tell them exactly what needs doing.

If you want your child's bike to have a **free service and repair** from Dr Bike, you will need to complete the reply slip below as there are a limited number of places on the day. Please return it to the school office as soon as possible as it is first come, first served!

I look forward to seeing you there.

Ryan Evans
Sustrans Bike It Plus officer

Yes, I would like my child's bike to be checked and serviced for free by Dr Bike.
