

Creating...

- Cooking- making Italian pizza and pasta
- Da Vinci and Michelangelo - Italian art- making scale pictures and a self-portrait

Getting physical...

- ~ PE on Thursday afternoons
- ~ Various sporting events and competitions

Targeting . . .

- Writing ~ using commas and complex punctuation accurately, writing reports, explanations and biographies
- Maths ~ multiplication and division, addition and subtraction - solving word problems. Knowing factors, multiples, squares, cubes and primes
- Reading ~ using inference and deduction to answer questions. Learning poems by heart
- Spelling ~ continuing to learn set spelling patterns and apply them to our written work e.g. -ence, -ible, -able.

Asking some key questions . . .

- Where is Italy, its capital and major cities?
- What are the cultures and traditions of the Italian people?
- How does Italy differ from the UK?
- Who were the Vikings?
- What are the main beliefs of the Buddhist religion?
- How are worldviews of religions similar/different?

Investigating . . .

Solar System

- Why do we have day and night?
- Why do we have seasons?
- Why does the moon seem to change?
- Find out about the planets.

Inspired by . . .

Italy - The World Around Us

Finding out about...

- ❖ *Italy, where it is in the world, land uses, history, food, culture and traditions.*
- ❖ *Rulers and the influence of the Vikings on the UK.*
- ❖ *How search engines like Google work.*
- ❖ *How to create short animations and algorithms.*
