

### For SMSC:

- Team work
- Taking responsibility within a group
- Collaborative learning
- Conservation

### In English:

#### Something Fishy

- Writing settings
- Writing stories in the first person
- Writing sea creature fact files
- Writing diaries
- Preparing exhibits

### Integrated Curriculum:

Pupils will need to research, design and create a new exhibit and represent their findings in the form of a mini aquarium. This means working on all parts of their exhibit, from choosing a habitat, learning about the sea creatures and plant life found there, creating information boards and making sure that all areas of the mini aquarium are ready for visitors.

## Stuart Road Primary Academy January - February 2019 Year 2

### Termly overview for: Aquascape an Aquarium!

**Hook:** The aquarium has invited Year 2 to design and create a new exhibit that is both educational and appealing! Pupils will need to project manage their exhibit, research all aspects of their chosen habitat and present their findings as a mini aquarium.

It's time to aquascape an aquarium!
