22nd May 2018

Dear Parent/Carer

Stuart Road Primary Academy will be taking part in the Respect Festival this year. We will be making the materials in school and this will culminate in us taking part in the Respect Parade on 14th of July in the City Centre.

The Respect Festival is a citywide festival designed to promote respect and celebrate diversity across all areas of the community. There will be fun activities to take part in, live music, dancing and theatrical events, world food plus lots more!

To ensure that we have a good turnout, we are asking that pupils and parents who sign up to the project must attend the parade on 14th of July. The children will create the props and costumes in class and they will be working with local artists for this project. We are looking for at least 30 children (these will be selected on a first come first served basis) from classes 4, 5 and 6.

Please complete and return the form below if you and your child are interested. We hope to see lots of you there, it should be fun!

Yours sincerely

Mrs S Blake
Deputy Head

Respect Festival 2018

My child in Year will be taking part in the Respect Festival Parade on Saturday 14th July 2018.

Signed Name of Parent/Carer
