Integrated Curriculum:

We are going to investigate ways to rebuild the gingerbread man's house. We will have a Year 1 bake off to see which cakes/biscuits make the best replacements for the Gingerbread man's house.

We will judge who makes the best house and make sure the Gingerbread man has a place to stay!

Learning Values: Responsible and resourceful

We will be responsible when we are working together and learning about being resourceful when making recipes.

Please see the separate home learning menu that has been explained to your child in school. We really value the support you show your child with their home learning in order to practise and consolidate their creative and thinking skills. Have a great term!
