Dear School Governors, Parents and Carers,

Re: Mrs Britta Nicholls appointed Head of School at Stuart Road Primary Academy

I am very pleased to report to you that we have interviewed Britta Nicholls for the Head of School position at Stuart Road and has successfully been appointed. As you will know, Britta has been acting as Head of School since January.

I am very pleased that we have now put the final piece together in the leadership team and I am sure you will want to approach Britta and congratulate her.

Please do let me know if there is any further information that you would like. I will speak with Britta and James and we can consider arranging a meeting for parents and carers.

Either Chris Toye (Deputy CEO) or myself plan to join the Local Governing Body and can give further information at this meeting.

Best wishes

Mark Elms MA Ed
Director of Education
