

Creating...

- Letters and invitations
- Maps
- Portraits
- Bug hotels
- Bird feeders

Getting physical...

~ PE on Wednesday afternoons
~ Various sporting events and competitions including sports day

Targeting . . .

- Maths ~ multiplication and division, fractions
- Reading ~ using inference and deduction to answer questions.
- Writing ~ using questions and exclamations in writing
- Spelling ~ reading and spelling common exception words

Asking some key questions . . .

- How do we persuade?
- What do people want to see at the fayre?
- Could we invite people in different ways?
- Can we get the local community involved?

Finding out about...

- ❖ Famous people from Plymouth
- ❖ Our local area and the history of our school.
- ❖ How animals and plants adapt to their environments.

How can you help?

- ❖ Can you find some books at the library on habitats and animal homes?
- ❖ Take your child around the city, visiting sites of interest and exploring the famous people who were born and raised here.
- ❖ Can you find out some historical information about the school using the internet or asking people who used to come to the school?

Investigating . . .

Living things and their habitats:

- What is our school habitat like?
- Which animals visit our school?
- How could we get more animal visitors to come to our school?
- What other habitats are there?

Inspired by . . .

*The history of our school
and the spirit of enterprise*
